Dear Academics, Researchers and Writers

Turkish Forum and the World Turkish Alliance, established in the year 1993, is a non-profit organization with its main office in the United States. We are proud to say that with all our voluntary ad-hoc committees, we have been able to extend our services across the five continents. Our mission has always been to disseminate information about Turkey and raise awareness in the public on issues related to Turkey and hence fulfill our obligation toward our Mother Land.

On March 18, 2015 we shall be celebrating the centennial of the Gallipoli Victory where Mustafa Kemal Atatürk emerged as a great leader and a commander. To mark the significance of this day, Turkish Forum has initiated a new project which will be the launching of the first e-publication of our organization. To this end, we are approaching you to submit articles on the Gallipoli Victory and the Wars that took place in the Dardanelles in 1915. All the articles will be published in the e-journal and easily made accessible to all readers through the Turkish Forum webpage. To further promote this publication, we are planning on giving links to all educational institutions, to libraries and to all related centers so as to increase the readership and also share your valuable contributions with the community at large. We believe that this publication will serve as a valuable resource for students, scholars, writers working on the period concerned.

The topics you can submit articles on are listed below but are not limited to these. Provided the central theme is Gallipoli, all articles are welcome.

- The First World War, the Ottoman Empire and the Gallipoli War: the Centennial
 - The wars in Gallipoli: History, Epic and National Dream
 - The wars at Sea and on Land
 - The causes and effects of the Gallipoli War
 - The Strategies and Tactics used in the Gallipoli War
 - Mustafa Kemal Atatürk's role in the Gallipoli Wars
 - The Lives Lost
 - Films on The Gallipoli War
 - Press releases on the War
 - Gallipoli and Literature
 - The socio-economic and cultural structure of the Gallipoli Peninsula.
- And many others...

Please be advised that the deadline for submitting your articles as a Word Document is February 28, 2015. You are kindly requested to email your articles as an attached file to canakkale-zaferi@turkishforum.com.tr.

We believe your contributions to this e-Journal will be an asset to the entire collection.

Respectfully,

Dr. Kayaalp Buyukataman—President
Turkish Forum and World Turkish Alliance
